

Ophthalmologists Are Often Compelled To Deal With Difficult Situations And Unforeseen Events During Their Everyday Practice.

The 2024 Meeting Of The International Eye Hospital Will Focus On The Management Of Such Challenging And Unexpected Situations In The Different Subspecialities Of Ophthalmology.

Our Meeting Is A Tribute To **Prof. Dr. Mohamed Fakhry**: A Remarkable Corneal Surgeon, Exceptional Colleague And Resilient Fighter.

The Meeting Held On 12 December At The IEH And 13 December At The Grand Nile Tower, Cairo, Egypt.

Established in 1995 as the first specialized Eye Hospital in the Middle East Region, Construction completed on 1997 and in 1998 we started our soft opening. The grand opening of Dokki branch took place in 1999.

In our continuous efforts for advancement we introduced Phaco Technology in 2000, And a fully integrated investigation unit in 2001, A fully integrated laboratory in 2002, A Specialized Clinical Pharmacy in 2004, Implementation of The latest Medical Information System "MIS" in 2007, We introduced FEMTO LASIK Technology in 2013

Furthermore, We added the newest zeiss technology including zeiss refractive laser portfolio; Visumax for femto smile and MEL 90 excimer laser, Not to mention the Artevo digital microscopy with integrated intraoperative OCT and stereoscopic 3D imaging.

As we strive to offer quality service, We obtained the ISO 9001 certification on 2003 and then the JCI accreditation on 2015

To get closer to our patients we began local expansions, With the opening of Roxy branch in 2003, Then Fayoum branch opening 2006, Then Luxor Branch Opening in 2014, And finally Beni Sweif Branch Opening in 2016, And soon regional expansions will come.

In 2009 IEH became the first to offer specialized Kids eye care service with the opening of the Kid Eyes Hospital in Dokki - Cairo.

Milestones

- International Eye Hospital is one of the most specialized hospital in field of ophthalmology Established since 1995 & Accredited: ISO 9001 & JCI.
- ·Our mission is to provide treatment according to the international standards in field of ophthalmology in Egypt and Middle East.
- · Our vision is to combine outstanding care with an affordable cost.
- We have a highly qualified team of medical and administrative staff that offers a wide range of ophthalmology services, Which is guaranteed to meet your needs.
- Employees join our team with different skill sets, Which gives us an opportunity to tailor training to meet individual needs.
- These services are provided for all individuals in accordance with their needs and with acknowledgment and respect of cultural diversity, including culture, Age and financial status.

OUR VISION

To be eye care service provider of choice in Egypt and MENA Region

OUR MISSION

To offer high-quality eye care services through attracting eminent consultants, Using the latest technologies and following international standards where the patient is our key priority.
